

UP100-4R-CORNER RADIUS

Product Images

UP100-4R

UP100 CARBIDE GENERAL PURPOSE ENDMILL

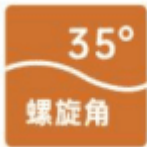

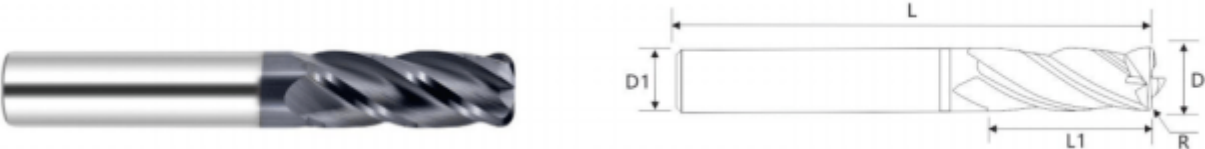

Summary

- **Type:** 4-Flute Corner Radius (Bull Nose) for improved edge strength and tool life.

- **Series:** UP100 Universal Series – reliable performance and cost-effectiveness.
- **Coating:** **AlCrN Coating** for superior heat resistance and wear protection.
- **Helix Angle:** **35° Helix** optimized for stable cutting and smooth chip evacuation.
- **Hardness:** Suitable for workpiece materials **up to 45 HRC** (Steel, Alloy Steel, Cast Iron).
- **Feature:** Rounded corners (R0.2-R1.0) prevent chipping, making it ideal for heavy-duty milling.
