UP100-4S

UP100 CARBIDE GENERAL PURPOSE ENDMILL

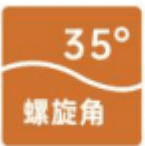

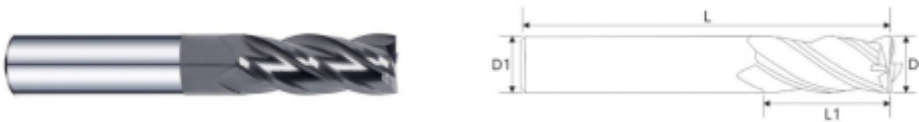

Summary

- **Type:** 4-Flute Square End Mill for versatile, general-purpose applications.

- **Coating: AlCrN Coating** for improved wear resistance and tool life.
- **Helix Angle: 35° Helix** optimized for stable cutting and chip removal.
- **Hardness:** Best for materials **up to 45 HRC** (Carbon Steel, Alloy Steel, Cast Iron).
- **Versatility:** Suitable for side milling, slotting, and roughing across various materials.
