HRC55-4S

ZANHO Cutting Tools

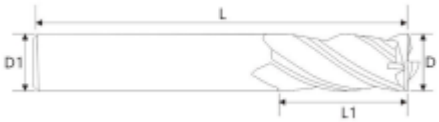

Feature

- **Type:** 4-Flute (4S) Square End Mill for general-purpose milling and finishing.

- **Coating:** Advanced **AlTiN Coating** providing high heat resistance and wear protection.
- **Helix Angle: 35° Helix Angle** for balanced cutting performance and efficient chip removal.
- **Workpiece:** Highly suitable for Carbon Steel, Alloy Steel, and Cast Iron (**Up to 55 HRC**).
- **Versatility:** Excellent for side milling, slotting, and profiling with high stability.
